

NAWIC
The National Association of
Women in Construction
Northeast Region

2020-2021

Capital District,

NY Chapter

261

President

Vicki Spring

"My first NAWIC event was in October 2014 as a guest of my surety agent, Sharon. I felt the camaraderie immediately as they shared their stories, offered advice and answered my long list of questions. I joined the very next day. I admire these women and am inspired by their experiences in the industry!"
