# 2021-2022

## Alpha Primary Care

### Design Drafting Competition

## ENTRY REQUIREMENTS

- 5 drawings A-1 thru A-5, and 2 optional drawings A-6 and A-7 for a total of 7 drawings..
- The execution of the design solution, the written narrative, cost estimate, and the creation of the drawings that are submitted to be judged must be limited to the efforts of one contestant per submittal (no teams).
- Sponsor Chairs (Chapter and Regional levels) are at liberty to request the submittals be in the form of original drawings (on 24" x 36" paper) or in the form of one or multiple portable document format files (PDFs) that have been formatted to print on 24" x 36" paper. The design narrative and cost estimate shall be provided on 8 1/2" x 11" paper or in PDF format to that same size.
- Submittals to the NEF National Chair for national judging shall be in PDF format only. The local and regional Sponsor Chairs shall be responsible for the conversion of any actual documents that they have received and judged as the winning entry per division.
- The submittals to the NEF National Chair shall be posted by Division to the appropriate Dropbox Link: Dropbox Link for High School Division: TBD by National Chair
- Dropbox Link for College Division: TBD by National Chair
- All plan drawings shall contain a NORTH arrow and be labeled with the drawing scale.
- Drawing scales are found in the required drawing section of the "DesignProblem"
- It shall be at the discretion of local and regional Sponsor Chairs whether they will or will not return the submittals to the contestants.
