

**Annie Tse Vice President,
Advisory Practice Lead | Wellbeing
Strategy**

THE POWER OF A LIFE-DIMENSIONAL APPROACH

**Because traditional
wellness isn't
enough anymore**

Annie is a wellbeing strategist for WellSpark Health and specializes in employer culture transformation from traditional wellness to inclusive wellbeing. She is an MPH candidate focused on Health Equity and holds a degree is in exercise science along with specialty credentials in areas such as health coaching, prenatal fitness, and orthopedics. Annie is also a certified D&I practitioner through eCornell and is a DEI marketplace champion for her enterprise. Annie also participates in multiple committees and ERGs that support the advancement of women and AAPI initiatives.
